

Parent Training Enrollment Application

Parent Name(s):	Date:
Address:	Email:
City:	Phone:
State/Zip:	Child's Age:

When: This series begins on Thursday, September 14, 2017, at 6:30 pm.

Where: Lutheran Hospital Third Floor Conference Room (in the Children's Hospital behind Visitors' desk).

Who: CAC BCBA's and BCaBA's

Parent Training Protocol I (Introduction): This 14 week protocol, based off of *Parent Training for Disruptive Behaviors* (Bearss, Johnson, Handen, Butter, & Lecavalier, 2015), provides a 14 week course on the basic principles of ABA. It also covers advanced topics, such as feeding, sleeping, and crisis management.

<input type="checkbox"/>	Please enroll the above listed parent(s) in the 14 week course.
<input type="checkbox"/>	My child is on the CAC waitlist so please apply code WAITLIST
<input type="checkbox"/>	My child is not on the waitlist; I have enclosed \$220.00.

Assessments: Parent Training Protocol I includes an Aberrant Behavior Checklist – Community and the Home Situations Questionnaire at the beginning and completion of the training.

Absences/Make-up Sessions: Make up sessions will occur in a subsequent training session or individually. It is highly recommended that parents/caregivers attend every session for maximal impact.

Schedule: Sessions will be started in rolling three month intervals.

Instructors: The instructors will be Board Certified Behavior Analysts, Board Certified Assistant Behavior Analysts, Speech Language Pathologists, and students in process for these certifications.

Cost: The cost for the 14 sessions may be billed to insurance (ask our Intake Coordinator upon scheduling for information) or cash pay amount of \$220. Cost includes home visit, workbook, and assessment results. Parents on the intake wait list may use the code WAITLIST for discount rate. This course is intended for parents only.
