Payment Policy

Children's Autism Center, Inc. ("CAC") is a nonprofit organization dedicated to providing the highest quality, medically supported therapy to children of all ages with autism and developmental/language delays in Northeast Indiana. As part of this mission, we are committed to keeping our business expenses as low as possible and we appreciate the role our clients have in this effort. To this end, CAC has established the following Payment Policy and wish to share it with our clients.

Our standard cash pay hourly rates are subject to change without notice and are as follows:

ABA Therapy	\$40.00/hour
Consultant (BCBA/BCaBA)	\$65.00/hour
Speech Therapy	\$74.00/hour
School Aide	\$16.60/hour
Travel	\$0.25/mile

At the time you register with CAC, a non-refundable registration fee of \$25 is due.

In most cases, we will file insurance claims for those insurance plans with which we are contracted. In some instances, we will ask assistance from the insured in dealing with the insurance carrier in an effort to maximize benefits.

We understand that our services can be expensive and sometimes unplanned. CAC is willing to work with our clients in establishing a payment plan. Clients are encouraged to make these arrangements as soon as possible.

Payment for services rendered is expected within 30 days from the receipt of your monthly statement. This policy applies to the full range of services rendered by CAC.

Patient balances that remain unpaid after 45 days may be sent to a collection agency for further action and the client discharged from CAC services.
